Leadership Training Director

Camp Mini-Yo-We is seeking a person to join our year-round staff team in the role of LE^aP and LIT Director. This is a year-round position responsible for all aspects the LE^aP and LIT Programs.

LE^aP, taken from Leadership, Experience and Purpose, is a one-year program currently being developed for students who have completed High School but have not proceeded to post-secondary level education. The Director is responsible for all aspects of this one-year program and will develop its key elements including curriculum, in-service programs, and spiritual leadership. An important focus of the program is the training and mentorship of the LE^aP participants. He or she is responsible to ensure that the quality and content of the LE^aP program meets the goals established by the Executive Director. The program is scheduled to launch in September 2013.

LIT is our existing Leaders-in-Training program for 16 and 17 year-old Christians operated as part of our summer camp ministry.

Candidates should have a post-secondary degree, a minimum of three years of marketplace experience, proficiency in camping and outdoor activities and demonstrated experience in organizational leadership. We are looking for someone who demonstrates Biblical leadership, has a heart for young people, and an understanding of their needs. Critical thinking, teaching, organization, administrative and basic office computer abilities are required.
