

Are you interested in spending part of the fall or even a year at the newly named Mini-Yo-We Outdoor Centre?

We are looking for fun, young, active, spiritual-minded people with camping, communication, teaching and group facilitation skills they are looking to share; to help us with the Mini-Yo-We Outdoor Centre.

Our training program will challenge you to think more about your faith within a safe Christian community. This is an internship position which receives room and board and an honorarium to cover basic living expenses.

You will be involved in hosting our guest groups in the fall, winter and spring. That involves teaching outdoor recreation activities such as canoeing, outdoor survival, high ropes, mountain biking, cross country skiing and provide group facilitation with team building and outdoor education, as well as general cleaning and maintenance of the facility.

If this sounds like a good fit for you, please visit our website <http://www.miniyowe.com/join-our-team/> or contact
