We believe that transformed leaders have the capacity to transform their communities for Christ. We strive to develop leadership abilities through washing dishes, site work, helping during opening day and much more.

### PERSONAL DISCIPLESHIP

We believe that living life to the full is only possible through a growing relationship with Jesus Christ. We strive to assist campers in their spiritual walk through Bible studies, worship, teaching, prayer and devotions.

### OUTDOOR ADVENTURE

We desire each Enterprise camper to have incredible outdoor experiences during their time at Camp. These may include canoeing, rock climbing, mountain biking, tubing, team building activities, high ropes and more.

## How to Apply

---

Our desire is for Enterprise to be an experience of growth from our first contact with applicants to the end of their session. Enterprise campers are selected from a group of candidates for each session based on their application and references.

### Step #1 | Apply Online

---

**Application:** [www.campmyw.com/apply](http://www.campmyw.com/apply)

The application includes questions for both the applicant and their parents. An email confirming that your application has been received will be automatically sent after applying.

### Step #2 | Interviews

---

**Interviews:** [www.campmyw.com/ent-interview](http://www.campmyw.com/ent-interview)

In the email you receive after applying is a website where **you need to set up an interview** time slot with Michael Tabet, our Enterprise Director. Phone Interviews are casual and are an opportunity to get to know campers and why they want to join the Enterprise program.

### Step #3 | References

---

In order for an application to be considered complete we **require two references be completed**. These references may include, but are not limited to the applicant's pastor, teacher, employer or volunteer leader. After you apply we will send you a secure link that **you will need to send to your references** for them to complete online.

### Step #4 | Acceptance

---

You will receive conditional acceptance once an application is received and interview complete. Complete acceptance requires us to receive positive reports from each reference you provide during the application.

## Frequently Asked Questions

---

### Q. Can you receive community service hours for participating in Enterprise?

Yes! Campers can claim up to 60 hours per session of serving in the Enterprise Program. Letters will be sent by email to all qualified campers the following September. If a school form needs to be filled out, please email Julie Wood, our Leadership Development Director at [julie@miniyowe.com](mailto:julie@miniyowe.com).

### Q. How can I find out if an Enterprise session is already full?

We keep an up-to-date list of each session's availability on our website at [campmyw.com](http://campmyw.com).

Enterprise is our quickest program to sell out. We have grown the program AND maxed it out the past two years, exceeding our expectations. We encourage applicants to apply as early as possible to ensure they get the session that works best for them.

### Q. Did you move away from overlapping sessions this year?

Yes. For the past two years we have had 8 sessions of Enterprise that overlapped each week. While this had a ton of advantages for campers we are moving to a 4-session model where campers will be with the same children for two weeks straight.

If you have any questions about the new model please contact Julie Wood, our Leadership Development Director at [julie@miniyowe.com](mailto:julie@miniyowe.com).

#### DON'T WAIT!

Enterprise has grown AND been maxed out for the past few years... it is our fastest selling program. Apply today!
