

INSTRUCTION OPTIONS

Sailing
M/F • AGES 11+ • FREE
All Weeks

These corner markers indicate if an option is offered during Period 1, Period 2, or both (for example, sailing is offered in both Period 1 and 2). Options marked as a "double period" require you to take that instruction in both periods.

This row indicates if an option is only offered to certain campers based on sex or age and if there is an additional fee for that option.

This section indicates which week an option is available.
