LEADERSHIP DEVELOPMENT

We believe that transformed leaders have the capacity to transform their communities for Christ. We strive to develop leadership abilities through washing dishes, site work, helping during opening day and much more.

PERSONAL DISCIPLESHIP

We believe that living life to the full is only possible through a growing relationship with Jesus Christ. We strive to assist campers in their spiritual walk through Bible studies, worship, teaching, prayer and devotions.

OUTDOOR ADVENTURE

We desire each Enterprise camper to have incredible outdoor experiences during their time at Camp. These may include canoeing, rock climbing, mountain biking, tubing, team building activities, high ropes and more.

How to Apply

Our desire is for Enterprise to be an experience of growth from our first contact with applicants to the end of their session. Enterprise campers are selected from a group of candidates for each session based on their application and references.

Step #1 | Apply Online

Application: www.campmyw.com/apply

The application includes questions for both the applicant and their parents. An email confirming that your application has been received will be automatically sent after applying.

Step #2 | Interviews

Interviews: www.campmyw.com/ent-interview

In the email you receive after applying is a website where **you need to set up an interview** with our team. Phone Interviews are casual and are an opportunity to get to know campers and why they want to join the Enterprise program.

Step #3 | References

In order for an application to be considered complete **we require two references be completed**. These references may include, but are not limited to the applicant's pastor, teacher, employer or volunteer leader. After you apply we will send you a secure link that **you will need to send to your references** for them to complete online.

Step #4 | Acceptance
