## Program Overview

Enterprise is our introductory leadership program for youth ages 14-16 by Dec. 31<sup>st</sup>. Each two-week session is an opportunity for teens to grow as leaders by focusing on three key areas: servant leadership, personal discipleship, and outdoor adventure. On the Mini-Yo-We Leadership Pathway this program falls after our core camps (Boys and Girls Camp) and before LIT, our premier 5-week leadership experience we hope you will do next year.

### LEADERSHIP DEVELOPMENT

Enterprise Campers are encouraged to develop as leaders who are servant hearted, good stewards of what is entrusted to them, and committed followers of Jesus, through the various components of the program, including work duties, community living, team challenges, and focussed teaching and discussion.

### PERSONAL DISCIPLESHIP

The Discipleship component of the program is focussed on the development of godly character that forms the basis of healthy Christ-centred interpersonal relationships. This includes love, encouragement, compassion and care, and how that is lived out by putting our faith into action. Through worship, teaching, and guided discussion our Campers have the opportunity to learn from both their leaders and peers.

### OUTDOOR ADVENTURE

Enterprise Campers will experience the best that Camp has to offer, including the Skyline, High Ropes and Rock Climbing, our Water Zipline, Biking, and canoeing and kayaking.
