

## SHARE YOUR STORY

The Parent Story Sheet helps us provide the best experience by letting you share with the cabin leaders a little more about your camper and their past overnight experiences!

**CAMPER NAME:** \_\_\_\_\_

Q. Tell us about your child's past overnight experiences.

Q. Do you have any tips for how to help your child get a good night sleep?

Q. Is there anything else we should know that would help improve your child's summer camp experience?

Give this sheet to your camper's cabin leader when you arrive on opening day or to the bus captain during drop off.
