

WHAT YOU'RE MAKING!

Today's quick activity craft is an Animal Bean Bag!

WHAT YOU'LL NEED!

- Felt (various colours)
- Scissors
- Markers
- Hot glue
- Rice

STEP 1

Trace out your body (2 ovals), head, ears, 4 feet, and tail. These will vary depending on what animal you decide to create!

STEP 2

Detail/draw the face and any spots you wish to put on the body. Be creative! Then, glue the ears onto the head.

STEP 3

Hot glue the two pieces of the body together, but be sure to leave a spot open to put in the rice! Then, glue on the head, feet, and tail!

STEP 4

Fill your bean bag with rice! Then, finish glueing the body together completely to keep it all in. Have fun!
