

DINNER DISCUSSION

FRIDAY, MARCH 15

QUICK RECAPS:

Today, Rubik decided to help out and stack some woods for our interns! He tells us about the time Jesus showed us what it means to be a servant. We learned that serving is the action of helping others and that we can serve each other.

WHERE TO FIND THE STORY:

John 13:1-17

DINNER DISCUSSION QUESTIONS:

1. Has anyone ever asked you to help them? Name one time!
2. Where are some places where you are served by others?
3. Sometimes serving takes on strange forms, what is the strangest way someone has served you?
4. In the story, Jesus took on a not-fun job to show love to his friends. What are some ways that you can show love by serving others?
5. How can following Jesus' example help you to understand what it means to serve?
6. What are some ways that you can serve together as a family?

FAMILY ACTIVITY:

Serve a friend, relative, or neighbour.

One of the most important things we learn from the teachings of Jesus is that we have a responsibility to each other. We need to love, care for, and serve others. This week we want you to find someone you can serve. Maybe there is a neighbour you can help do yard work for. Maybe you can help a friend move. Whatever it is, serve together.

TIP: You may want to help your campers come up with a good option for serving together. If you are connected to a church or community centre you may ask around for people who need help.
