ENTERPRISE DRESS CODE

The following dress code has been established to help young leaders grow in maturity. Enterprise is a co-ed program making it especially important for participants to agree to Camp's dress code.

- Underwear (including bras) should not be visible through or outside of clothing.
- Swimsuits must fit well and stay in place when both dry and wet. Please bring a modest swim suit appropriate for physical activity.
- Clothing with inappropriate/offensive language, gestures, images or advertising are not permitted.
- Please dress appropriately for camp activities. Both tops and bottoms should allow for free movement and physical activity including jumping, stretching and climbing without revealing navels, cleavage or bottoms.

FAQ: CELL PHONE POLICY

Enterprise campers are permitted to bring cell phones but can only use them on the Sunday in the middle of the session. If used outside of this time, the phone will be taken and kept with the director for the duration of the session and returned during pick-up. If you have questions about the policy, please reach out to our team before arriving at Camp.

FAQ: CABIN MATE REQUESTS

We love when friends come to Camp together. If two Enterprise campers want to be in the same cabin, we ask that you make the request during online registration or before you arrive. We try our best to honour mutual requests. Requests made after registration should be emailed to info@miniyowe.com.

FAQ: LAUNDRY SERVICE

We have many campers who pack for the two-week session without requiring laundry service. If you would like this added service, please pay for it during registration (or add this service after registering by contact our team at 705-385-2629 or info@miniyowe.com). Laundry is picked up on Saturday at 10:00 AM and returned Sunday at 10:00 AM. Camp provides a branded laundry bag you can keep.
